

Please find below, a list of the clubs that the school will be offering to children this term. As you can see, there is a lot of variety and we do hope that the majority of the children will be able to join something this term.

Many of these clubs will be sending out their own, more detailed letters about their activities and this grid is a guide only. If you want to know more about the clubs, please contact Anna Holland, Bursar and she will be happy to help or the class teacher running the club.

**Your child is to be collected from the tunnel area at the back of the school**

**Please do not use the front main door for health & safety reasons, as cleaning is in progress – Thank you.**

Please bear in mind that because letters have already been issued for some clubs, they may be at capacity, but we do operate a waiting list.

We expect excellent behaviour from all the children attending clubs and reserve the right to refuse a child entry to the club or ask them to leave, if their behaviour is unacceptable. We would always contact parents should this happen.

Please make sure that children have the correct kit or equipment for the club.

If you have any queries about the provision, please contact us at school. Don't forget that the before and after school "Superstars" club operates every day.
