25th April 2022

Dear Parent / Carer

Parental Electronic Communication

We are writing to advise you that as a school, we have signed up to Teachers2Parents for the sending of any texts to parents. Any emails that the school office send will still come from the schools pupil database, SIMS.

Teachers2Parents only sends texts to Priority 1 parents by default. If you want texts sending to your Priority 2 contact also, then please contact the school office so they can arrange this for you.

Teachers2Parents also has an app that you can download and use. If you choose to download and use the app please be aware that any texts we send will then be accessible via the app and not as a 'normal' text message.

As stated above, emails will still come from the school's pupil database, SIMS. To ensure that these do not go into your junk email box can you please add the following email address to your safe senders list: 8553070@sims-communications.co.uk

Yours sincerely

Mr A Clark

Headteacher
