

Homework

Across Key Stage One, homework will be set weekly, involving either a Maths or Letters and Sounds/Grammar related activity. In addition to this, a choice board will be sent out at the start of each half term to provide **optional** activities that your child may wish to complete. These additional pieces of homework will be celebrated within your child's class when the teacher allocates time to do so.

Homework will be sent home on **Wednesday** and should be returned to school on the following **Monday**.

We encourage you to take time daily to read with your child and please record this in their reading record. At the start of the year, a word wall will also be sent home to highlight the common exception words that your child will need to work towards being able to read and spell across the school year.

For the younger children, lessons often require lots of the resources. Sometimes we send out a note requesting your children to bring in items which will support lessons taking place at school. Your support is much appreciated.

Letters and Sounds

The children will work within ability groupings, separated by phase to access the phonics knowledge or grammar/spelling at greater depth needed.

PE

Please ensure your child has the correct PE kit in school every day. We will control body shape and develop movement sequences in gymnastics and dance. In games, we will practise and improve ball skills.

For further information, please feel free to contact:

Year 1	Mrs Barrass jbarrass@st-bartholomews.leics.sch.uk Mrs Harvey mharvey@st-bartholomews.leics.sch.uk Miss Cronin ccronin@st-bartholomews.leics.sch.uk
Year 1/2	Mrs Rowntree krowntree@st-bartholomews.leics.sch.uk
Year 2	Mrs Campbell scampbell@st-bartholomews.leics.sch.uk Mrs Crossley scrossley@st-bartholomews.leics.sch.uk Mr Applewhite mapplewhite@st-bartholomews.leics.sch.uk

Teachers have one planning session per week so please allow up to 7 days for a reply – thank you.

Key Stage 1 - Projection of Work Autumn 2019

Mirror, mirror, on the wall,
which traditional tale is

St Bartholomew's CARES

- C** - **Co-operate** kindly with others
- A** - **Aware** that everyone is important and individual
- R** - **Respect** others and take **Responsibility** for our actions
- E** - **Enjoy** school and be **Enthusiastic**
- S** - achieve **Success** through challenging ourselves to;

GIVE YOUR BEST

School Rules

- Follow instructions with thought and care.
- Keep hands, feet and unkind thoughts to ourselves.
- Walk quietly through the school.

English A B C

The children will follow a cross curricular approach to develop their reading and writing.

These include;

- Narrative, poetry and instruction writing.
- Superhero fiction stories including Traction Man and Awesome Man
- Non-Fiction - real life superheroes,
- Traditional Tales and tales from other cultures.

We will also be developing;

- Handwriting – correct pencil grip, letter formation and joining up letters
- The use of capital letters, full stops and conjunctions
- Speaking and Listening during drama activities
- Identifying nouns, verbs, adjectives, and adverbs
- Using adjectives in writing

Maths

We will focus on developing skills of mental arithmetic and work to improve recall of number bonds, sequences, doubles, halves, addition and subtraction. = +

The Key Stage One programme of study for the autumn term will follow the 'Maths No Problem' scheme of work. This will include;

- Number sequences
- Counting steps of 2, 3, 5 and 10
- Place value – recognise place the value of digits.
- Compare and order numbers
- Addition and subtraction
- Multiplication of 2, 5 and 10
- Mental calculations
- Measurement - focus on length and mass
- Graphs including tally charts and pictograms
- Practical Maths and solving mathematical problems

Computing

We will learn to write instructions and program movements using Scratch. We will explore how computer games work and explore the rules in different games.

Topic

To the RESCUE!

At the beginning of the term we will be looking at different superhero characters and creating our own superheroes. We will be learning about real life heroes including those involved in the Great Fire of London and those we see in the world around us. We will also be developing movement, balance and coordination through creating a superhero dance. Our science unit will be looking at ourselves, how we keep healthy and how we change as we grow.

Mirror, mirror on the wall, which traditional tale is best of all?

In the second half of the Autumn Term we will focus on materials - which material is best for its purpose. Should Cinderella's shoe really be made from glass? Our traditional tales theme continues into our Art/DT where we will be making our own puppets. We will also be thinking about the country we live in and exploring the capital cities in England, Ireland, Scotland and Wales. This will link in with our work on British values.

MFL

We will be learning some simple greetings and phrases in French.

RE

Who is an inspiring person? We will explore inspiring people through history and how they have made significant contributions to the world around them because of their faith. We will also look at what we can learn from sacred books and why they are important. These topics will cover Christianity, Sikhism, Judaism and Islam, not forgetting celebrating Christmas towards the end of the autumn term!

PSHE

We will be learning about our school values, class rules, and new beginnings. We will also be working to develop social skills, self-esteem and confidence through a variety of partner and small group activities. Our school has a no tolerance approach to bullying. We will be sharing this with the children and thinking about how we can help to support this.
