Dear Parent / Carer

Independent Cycling / Scooting / Walking to School (2019-2020)

We would be very grateful if you could let us know if your child is walking, cycling or scooting to and from school without an adult. This will help to make sure that children are being kept safe on their daily journeys, especially if they arrive late into school. As the weather is becoming darker at the beginning and end of the day, it would be useful to send children who are cycling alone with lights for their bikes and reflective clothing so that they can be seen. Some year 6 children stay to after school clubs and then cycle home – this is particularly relevant for them. Please indicate below if your child is coming to / from school without an adult. If this does not currently affect your child, but circumstances change in the future, please collect a form from the school office.

You are required to fill in this form for each child every academic year.

Advice to Parent and Carers

- Talk to your child about safe cycling / scooting to school – agree a set route and keep to it
- Know the standard of your child's cycling ability and road sense
- Provide your child with a safety helmet and reflective jacket
- Ensure the cycle is safe and roadworthy (check brakes etc)
- Young children should be accompanied by an adult

School Rule – Walk With Wheels
Do not cycle / scoot anywhere in the school grounds at any time, unless authorised

Yours sincerely

Mrs J Boston
Headteacher

Independent Cycling / Scooting / Walking to School (2019-2020)

Child's Name: Class:

Mode of transport to school (without an adult):- Walk Cycle Scooter

I have read and fully understood the advice given above
