Dear Parents and Carers

10th October 2019

We are pleased with how the children have settled into Year 5; they have been working hard and were very well behaved on our recent trip to the Space Centre.

Homework: For half term, we are not requiring the children to complete any specific maths or topic homework, as we want the children to have a well-earned rest. However, we are aware that some children would like to get started on Harry Potter craft activities when they have more time so we have distributed the next topic sheet. (The first homework is not due until 28th October). We have also sent the next set of spellings for the first five weeks of the half term.

Times Tables: After half term we will be working covering multiplication and division topics so the children need to learn their times tables. Please encourage your child to practise these as often as possible. 'Times Table Rockstars' can help with this key objective.

Magic and Mayhem: To complete our work on 'Harry Potter and the Philosopher's Stone', we will be hosting a Harry Potter day in Year 5. This will take place on Tuesday 10th December. There will be a variety of exciting activities and magical lessons taking place during the day. Please feel free to allow your child to dress up as any character from the Harry Potter series.

During this half term, we will be showing the 'Harry Potter and the Philosopher's Stone' film to the children. We would also like to show sections from 'Harry Potter and the Chamber of Secrets'. Both films are rated PG, so we require permission for your child to watch the films.

Please sign the form below and return by **Tuesday 22nd October** to give permission for your child to watch the films.

We are really looking forward to Harry Potter day and hope the children enjoy their Harry Potter experience!

Thanks for your support
