Date of pupil premium review:	December 2016		

Pupil Premium Profile 2016	
Number of eligible pupils:	44
Total pupil premium budget:	£45,880

Executive summary

PP funding history:

- Last year we received a total of £45,880 in Pupil Premium funding. This money was spent on providing Learning Support Assistants to support children's learning, intervention groups, school uniform vouchers, after school clubs, trips, Taiko drumming and pre-teaching maths sessions with a qualified teacher.
- We have found the increased number of Learning Support assistants has had a positive impact on all children's progress but particularly those who qualify for PP funding. (see details below and also refer to the PP tracker).
- We also introduced a mark first policy towards the end of last year. This was done with the aim of ensuring that our most vulnerable pupils got the highest quality feedback. This is a strategy that we are continuing this year.
- Nurture clubs were established last year to help support the emotional needs of some of our most vulnerable children including an art club and a lego club.
- Providing funding for After School clubs has allowed a lot of children to have opportunities that they may otherwise not have been able to experience. These include out of school drama, dance and music lessons to enable PP and PP+ children to gain

confidence and develop a skill which they can use in school. This year, we hope to create some more specific clubs, both during school and after school that are aimed towards particular groups of PP children.

Our aims for the PP funding:

- We aim to raise the in-school attainment of both our disadvantaged children and their peers.
- We aim to improve the attendance rates of our Pupil Premium children to be in line with non-disadvantaged children.
- To ensure that all Pupil Premium children have equal access to after school clubs and educational visits, to help motivate them and engage them in the school community.

Date of Next Review:

December, 2016.

Impact of Pupil Premium Funding

Percentage of children reaching expected levels at the end of each Key Stage.

2015-16	Reading	Writing	Maths
FS 5 children	2 children	0 children	3 children
KS1- 7 children	3 children	3 children	5 children
KS2- 12 children	6 children	11 children	4 children

2014-15	Reading	Writing	Maths
FS- 5 children	4children	4 children	4 children

KS1- 6 children	5 children	5 children	4 children
KS2- 3 children	3 children	3 children	3 children

Attendance levels of Pupil Premium children

2015-16	95.2%
2014-15	96.1%
