Dear Parent/Guardian,

RE: Trip to Buddon Brook Winter Walk

As part of the science curriculum, we learn about how environments change over different seasons. We will be going on a local walk to study plants and animals in the locality.

The trip dates are as follows:

Mrs Rowntree's class	Tuesday 23 rd January
Mrs French / Mrs Campbell's class	Wednesday 24 th January
Mr Applewhite's class	Thursday 25 th January
Mr Evans-Bolger's class	Tuesday 30 th January
Miss Taylor / Mrs Moxon's class	Wednesday 31 st January

All the trips will take place during the morning, leaving school at 9.00am and we will be back in school at about 10.30am.

The children will need to be appropriately dressed for a winter walk. Please arrive at school wearing warm trousers and their school jumper and school shoes. Please bring suitable footwear to walk in such as wellies and a warm waterproof coat. They will also need to bring school trousers or skirts to change into after the walk. A plastic bag to put muddy clothes and footwear in at the end of the walk would be helpful.

The walk will last approximately 90 minutes. If any parent can help on the trip, please let your child's teacher know as soon as possible via the email listed below.

We have received guidance that for all trip helpers undertaking the role of a paid member of staff, we need to have proof of their Right to Work in the UK on file. We will contact all volunteers with regards to this prior to the date of the trip.
