Dear Parents and Carers,

I am writing to inform you about an exciting event that is fast approaching - **World Book Day**, which will be celebrated on 5th March 2026.

This year's theme is '**Go all in**', encouraging pupils to embrace their personal reading preferences and express their individuality.

On the day, we would like children to come to school dressed as a character from their favourite book, adding a creative flair to our festivities.

Throughout the day, there will be a range of activities and children will have the opportunity to share and recommend 'best' book(s) to their classmates - we recognise this is often highly valued among children. We also plan to hold reading sessions, quizzes and live lessons throughout the day.

We encourage you to engage your child in discussions about their favourite books in the lead-up to this event. Consider visiting your local library or bookshop to explore new titles together.

We will also have the book fair in school on Thursday 12<sup>th</sup> March. Children will be given their book token on this day, to ensure that every child in school has the opportunity to choose a new book. More details will follow regarding this event.

Thank you for your continued support and encouragement in cultivating a love of reading within our school community. Should you have any questions regarding World Book Day, please do not hesitate to contact me.

Yours faithfully,

Mrs Rowntree

Reading Lead
