Summer Term 2026

'Give your best'

May 2026

Dear families, Half term is here!... but with lots first to celebrate with you all

A DASH... of colour!

Although I couldn't be there, watching the children file out of school in such a colourful procession, was really something :-)

What a great way to end the half term... we will of course update you with how much we raise, after half term.

Racing ahead...

We were delighted to be invited to attend the National Athletics event at Loughborough University on Sunday 17 May. Alfie and Sofia

took part in a 60m sprint race ahead of the main event, gaining valuable experience of competing in such a prestigious setting. Following this, they had the exciting opportunity to support some of the country's top athletes including Olympic medallists - by helping to carry kit boxes to and from races.

Cathedral visit

On Wednesday 22nd April, Year 5 and 6 members of our Blessing Team, School Council and Eco-committee, took part in a Sustainability Challenge at Leicester Cathedral. They joined children from our partner schools to engage in workshops centred around our Climate Action Plan.

It was a truly memorable experience and a wonderful opportunity for Alfie and Sophia to visit a world-class venue and play a part in such an important national athletics event.

THINKING SPACE

Do we learn more from winning or from losing?

The children agreed that the true value of any competition, is in giving your absolute best.

Developing self-control and an honest character is a far greater achievement than winning!
