

Year 1 Reading and Phonics Information

Book Change Day:

Wednesday (the same as Homework)

Information

Each child will take home one phonic reading book. At home we would expect you to read this between 2-3 times per week. You could read a few pages each night, or you could read a page, and the child could read a page. We appreciate that the children will feel tired after school, so it's important that you find a time that works best for them and you.

Each child also has a set of phonic sound flashcards. In the homework book we will let you know what sounds have been covered that week for you to practise at home. We may also write in their reading diary some sounds that need a bit of extra practising.

Both the reading books and flashcards are in a reading folder; this is to ensure that they can be kept in good condition. Please keep the reading folder inside the bookbag every day. The phonic cards can be removed as we do not use these in school.

Reading in school is slightly different in year 1, your child will read with a member of staff every other week. This may be longer when we have an assessment week. If your child needs additional reading support, then they will read in school more regularly.

Thank you for your ongoing support with your child's reading.
